Welcome to ProParlour!

ProParlour Marketing is a family-run business that has been manufacturing and supplying professional dog grooming products to pet grooming parlours across South Africa for over 25 years. Based in Hillcrest, KwaZulu-Natal, we work directly with parlour owners – no middlemen – allowing us to offer reliable, high-quality grooming products at economical prices for everyday professional use.

Our ProParlour pet shampoos were developed specifically for the demands of busy grooming environments and are trusted by over 150 grooming parlours nationwide.

We aim to make ordering as simple and cost-effective as possible and always strive to secure the best possible transport rates for our customers.

Orders are currently shipped via Fastway Couriers, with delivery typically taking 3–4 working days, often sooner.

As a hands-on, owner-operated business, you will always deal directly with us and receive personal service and support.
